Since 1985 the Winter Festival of Lights has been delighting visitors of all ages! This annual holiday light show is one of the nation's largest, covering more than 300 acres over a six-mile drive throughout the resort.

The Winter Festival of Lights was listed as one of the 10 Best Christmas Light Displays in the US according to AOL Travel.

Seventy five larger-than-life light displays are now part of this glowing show and every year something new is added to keep the show fresh. Favorites from previous years include the massive “Polyhedron Star” which is emblazoned with over 2,000 lights and stands on the highest hilltop in Oglebay, and the "Poinsettia Wreath and Candles." Standing close to sixty feet tall and spanning fifty feet in diameter, the “Poinsettia Wreath and Candle,” display is the festival's tallest. Other display favorites include the “Candy Cane Wreath,” “The Twelve Days of Christmas” and the extravagant “Cinderella Display ” which took two years to complete.

The cost is $70 per person. Includes tour of the mansion.
